

Think Legal Profile

About Us

Think Legal Resources is led by a team of dynamic young professionals with a vision to provide vital legal information and resources in contemporary digital format.

The management team consists of experienced leaders who are passionate about their company's vision and goals and are committed to the development of TLR as the preferred legal information and service facilitator in India.

TLR offers you a platform to accelerate your research at a click of a mouse.

Our database is useful for Corporate, Students, Professionals (Chartered Accountants, Company Secretaries, Financial Consultants and Lawyers.), Banks, Research Organizations, NGO's Government organizations and others.

Vision

To be the most preferred digital / online legal resource service provider with a clear focus on customized solutions specific to client's needs.

Mission

- To provide the best solutions for all consumers of Indian Law.
- To supplement professionals and decision makers with the relevant and updated research information and resources.

Goal

To provide the best quality services with an emphasis on quick turnaround time and cost efficiency.

Allied TL Services

Think Legal is not just about “quality service”, but “customised solutions”. Providing value to the client is the primary philosophy that drives us. We proactively innovate and evolve our portfolio of services to address critical challenges.

We offer a wide range of legal research services, like legal queries/opinions, drafting, vetting of documents, research oriented work, title search/verification, etc. Fees for the above services vary, depending on client requirements. We also provide regular legal support to our clients on retainer-ship basis for on a consolidated fee.

We assure you of quality services as our lawyers are experienced and well-conversant with the law and related procedures. Our team is dedicated to serve you better with a quick turnaround time while handling assigned work.
